

About Us

Landmark East is a not-for-profit company developing unused and derelict property to provide high quality office accommodation for community, voluntary and social economy organisations.

It is owned by EastSide Partnership, a charitable urban regeneration agency, who established the company, with support from the Belfast Regeneration Office, to make a practical physical contribution to urban regeneration and to develop an asset base for further regeneration in the future.

Our staff

Chief Executive: Maurice Kinkead. Maurice is also the chief executive of our parent company, EastSide Partnership, and has held a number of senior management jobs in the not-for-profit sector over the past 30 years.

Company Accountant: Tony Wilson. Tony has been company accountant for the EastSide Partnership, Landmark East and Avec Solutions for the past 14 years, and has a wide range of experience of finance and property management in the not-for-profit and social economy sectors.
